Critical Items Checklist – New Items

Effective Date:

August 28, 2019

Notice

In order to increase efficiency and reduce the number of submissions per project, the Development Coordination Section has made some changes to the '***Critical Items for Acceptance: Construction/Entrance/Subdivision Street Plan Set, Record Plan, & LONOR – RED***' documents.

Some of the changes are (please view the full document for further details):

- Clarified what is required to be submitted when there are requirements per the Traffic Impact Study (TIS) or Traffic Operational Analysis (TOA) and by
- Expanding the Stormwater Management Section of required items to provide more detail.

**Please Note: All items listed on the full version are required. Submissions not including these requirements will be declined.*

- ❖ The revised '***Critical Items for Acceptance***' can be found at our [Development Coordination](#) website, under Guidance, for review.

If you have any questions, please feel free to contact the Development Coordination Section at 302.760.2266.
